**a. Update on Snow Removal**

Clean Street is the only supplier that submitted a bid. Duka expressed the commission's concerns from last year's less than ideal service. Clean Street will have equipment in the area instead of having to transport it across the city during inclement weather. This should help with speed of removal.

The new contract is for >1" of snow as opposed to last year's >2". This should provide a better experience across the SSA.

The commission has decided to divide the district in to two parts and Duka will get a revised bid from Clean Street and bids from additional suppliers.

The commission will reconvene on this subject on 10/28 at 5:30pm.

**b. SSA Survey**

Reviewed survey template. Added questions about litter abatement and security guard preferences (armed vs. unarmed). Stephanie requested PIN holders ranking of issues/needs.

Duka will make some modifications and the commission will review by email by 10/16.

**c. Commissioner Terms**

Two commissioners are not seeking reappointment leaving two openings on the commission board. All interested persons should contact Duka directly for next steps.

**Public Input**

Carol mentioned that there is quite a bit a trash on the street at Kedzie and Cullom.

Jeff Sobczyk announced that the Jason Hernandez is the new chief of staff for Deborah Mell.
