According to our bylaws, each eligible civic organization shall have a single representative on the council. That representative shall have 1, 2, or 3 votes as determined by the number of active dues-paying members and the area served. The representative of a civic group with at least 100 but less than 300 active dues-paying members shall be entitled to 1 vote by virtue of size. A representative of a civic group with 300+ active dues-paying members shall be entitled to 2 votes by virtue of size. Those civic groups abutting the site shall be entitled to an additional vote by virtue of location. In no event shall a civic group abutting the site have less than two votes.

Individuals who have an active interest in North Park Village, who agree to attend meetings regularly, and work cooperatively with city officials and neighborhood organizations, shall be eligible for membership without a vote.
